# Your Voice for a Fair Future

Let's build a **platform for change together**.
Join us and complete the questionnaire to create a digital tool that helps
citizens monitor the environment and defend their rights.

## What is the purpose of this questionnaire:

To listen to your experiences and understand your situation.
We want to understand your priorities, your concerns and the challenges you face when it comes to pollution, social impact and access to justice.
It is designed to gather your views on the environment and rights

## Why take part:

to meet real needs. Your help makes the platform truly useful in everyday life.

To turn your concerns into hard facts.

## Make a difference: get involved now

**CLICK HERE**

It only takes a few minutes to help us build a tool for freedom and information for your community.
Take part in the MARMOT survey.

## Who can take part

All citizens are welcome. Whether you're a member of an organisation or simply a concerned citizen, your contribution is essential to a more participatory society.
Open to all citizens and local organisations.

## What we will develop based on your responses:

A digital platform accessible to everyone.
We will create a website and an app featuring toolkits for monitoring air and water quality, assessing human rights and managing conflicts.
